DETAILED ACTION

1. This application is objected to under 37 CFR 1.172(a) as lacking the written consent of all assignees owning an undivided interest in the patent. The consent of the assignee must be in compliance with 37 CFR 1.172. See MPEP § 1410.01.

A proper assent of the assignee in compliance with 37 CFR 1.172 and 3.73 is required in reply to this Office action.

2. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

3. The reissue oath/declaration filed with this application is defective because it fails to contain a statement that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration arose without any deceptive intention on the part of the applicant. See 37 CFR 1.175 and MPEP § 1414.

While a declaration signed by the assignee could be construed as an inherent consent, a declaration signed by the assignee in this case cannot be accepted because it is a broadening reissue. In this case, only the inventor(s) can sign the declaration. Pursuant to 37 CFR 1.172, where the reissue application does not seek to enlarge the scope of any of the claims of the original patent, the reissue oath may be made and sworn to, or declaration made, by the assignee of the entire interest. 37 CFR 1.172(a) states “...*a reissue oath may be made and sworn to or declaration made by the assignee of the entire interest if the application does not seek to enlarge the scope of the claims of the original patent.*” See also MPEP 1410.01.

Art Unit: 3661

Because the declaration signed by the assignee is not acceptable in this case, forms PTO/SB55 (error not specific) and PTO/SB/53 (no deceptive intent) filed in the previous communication are not appropriate.

Conclusion

4. This application is in condition for allowance except for the following formal matters:

See above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
